## Financial Institution Letter FIL-19-2020 March 19, 2020

# Joint Statement on CRA Consideration for Activities in Response to the COVID-19

**Summary:** The Federal Reserve Board, the FDIC, and the Office of the Comptroller of the Currency (the agencies) recognize the potential for the Coronavirus Disease (referred to as COVID-19) to adversely affect the customers and operations of financial institutions. The agencies encourage financial institutions to work with affected customers and communities, particularly those that are low- and moderate-income. Pursuant to the Community Reinvestment Act (CRA), the agencies will provide favorable consideration of certain retail banking services, retail lending activities, and community development activities related to this national emergency.

**Statement of Applicability to Institutions with Total Assets under \$1 Billion:** This Financial Institution Letter applies to all FDIC-supervised financial institutions.

### Highlights:

- The agencies recognize that financial institutions working with affected customers during disasters and national emergencies serves the long-term interests of these communities and the financial system, when consistent with safe and sound banking practices and applicable laws, including consumer protection laws.
- Pursuant to the CRA, the agencies will favorably consider retail banking services and retail lending activities in a financial institution's assessment areas that are responsive to the needs of low- and moderate-income individuals, small businesses, and small farms affected by COVID-19 consistent with safe and sound banking practices.
- In light of the declaration of a national emergency, the attached interagency statement clarifies that financial institutions will receive CRA consideration for community development (CD) activities.
- Qualifying CD activities include those that help to revitalize or stabilize low- or moderate-income geographies as well as distressed underserved non metropolitan middle income geographies, and that support community services targeted to low- or moderate-income individuals.
- Favorable consideration will be given to CD activities located in a broader statewide or regional area that includes a bank's CRA Assessment Area and that help to stabilize communities affected by the COVID-19, provided that such institutions are responsive to the CD needs and opportunities that exist in their own assessment area(s).
- This statement shall be effective through the six-month period after the national emergency declaration is lifted, unless extended by the agencies.
